

With the VIDAA TV, whatever you're into - from Showtime to YouTube to tons of games

There's an app you're sure to love.

and more apps can be found from VIDAA.

(Apps availability could be different country by country)

Smartphone remote control

Control your TV and stream to it straight from your smartphone.

The "VIDAA" application for Android and iOS seamlessly pairs with your VIDAA TV via WiFi, allowing you to control your TV straight from your smartphone. You can also launch applications and stream content to your VIDAA Smart TV from the application using Hisense's proprietary Anyview Streaming technology.

account information and more.

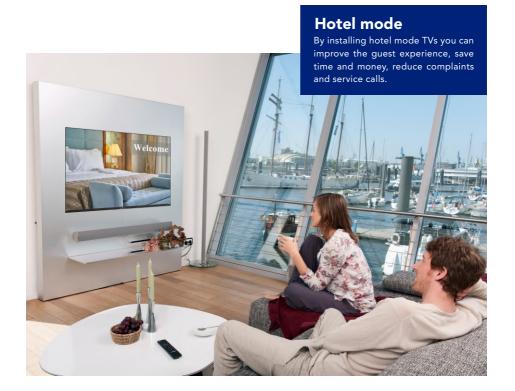

tivùsat is the Italian free to air satellite platform.

tivùsat was created to ensure that everyone has access to the free digital TV. By reaching all areas of the Italian territory, viewers can access all national DTT channels and a huge line up of national and international channels.

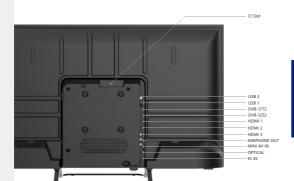

Elegant central U base

Stands safely on a smaller TV shelf, or flexibility places at any corners in the house.

Mount it on the wall to perfectly blend in the interior design.

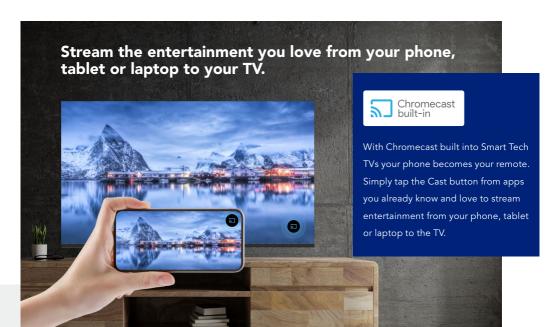

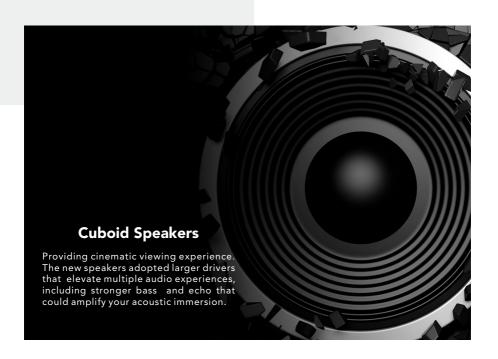

Easy connection

Multi-function connectors on one side, convenient operation

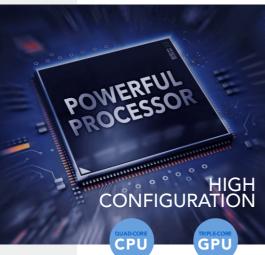

Larger cache memory

for smooth operation

DVB-T2/S2/C

Cable connection (DVB-C), satellite connection (DVB-S2) and terrestrial television (DVB-T2), it ideally suited to any existing reception situation thanks to its standard integrated triple tuner and delivers the best possible TV picture depending on the reception type.

BLUETOOTH

More convenient by Bluetooth connenction to Remote control, earphone, soundbar, smartphone and other Bluetooth devices.

More storage for the

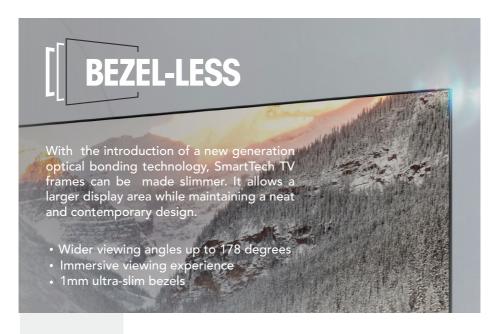

APPs you like

2.4G+5G WIFI

Enjoy the rapid and steady WiFi connection under the technology. No more trouble & lag during your movies and shows streaming.

HD Ready

Full screen HD display for crisp and realistic images

*The ON-mode power consumption was messured in Eco-mode (factory settings) according to IEC 62087, Edition 2.

The power consumption stated upon the Identification label of the TV-set was determined with maximum settings of all parameters regarding picture brightness

**Annual energy consumptionr, based on the power consumption of the television operating ,4 hours per day for 365 days. The actual energy consumption will depend on how television is used.
